Dr. Daniel Kubikian
1416 Brace Road
Cherry Hill, NJ 08034

Dear Dr. Kubikian:

Thank you for speaking to the Dental Hygiene seniors on *Principles of Periodontal Surgery* today. The students commented that your lecture was interesting and easy to follow. They are looking forward to visiting your office in the spring and observing surgical procedures.

Your support of our programs is an invaluable part of the students' education. I appreciate your contribution, and hope you will continue your affiliation with our program.

I enjoyed your lecture as well. The subject matter was well organized and I loved trying to put the face with the celebrities. I hope you will do this lecture again next year. Thank you again.
Cathy
