

Implants #7 & #10 with Crowns

Background: JM was born missing teeth #7 & #10. She wore a Maryland Bridge until she could have implants placed. Here is her transition over the years.

At Presentation #7 & #10

While Waiting for Growth to Cease

Final Implant Crown #7 & #10

Testimonial: ““I was scared at the beginning when I needed bone grafting, but was relieved that the rest of the procedures were easier. The final result was amazing and well worth my wait!!!”
