

# Implant #7 with Crown

**Background:** TH had a crown on tooth #7 for many years and now the tooth has large decay and cannot be further rehabilitated. TH wanted to replace tooth #7 with a dental implant.

Before Treatment #7

Same Day: #7 Extraction, Implant #7, Temporary Tooth #7 (so he has a tooth implant healing)

Final Implant Crown #7

**Testimonial:** "So happy that I have my front tooth back! Thanks for everything!"
